December

Principals report

RED ROOM CAMP

Red room set off on their overnight camp yesterday and by the looks of things have had a fantastic time exploring the Swan Hill surrounds.

UNIFORM

We still have plenty of our Indigenous uniform stocked up in the office. If your child is in need of any new T-shirts heading into the warmer weather, please contact the office.

ATTENDANCE & BUS CHANGES

As we head into the next few busy months, it is important for all of our students to continue attending school, however if they are unable, please ensure you contact either their classroom teacher or the front office.

If there are any changes being made to your students usual schedule of busses and pick ups, please ensure this information is told to their teacher or front office. Please do not rely on the bus driver to relay the message.

SCHOOL SAVINGS BONUS

Today was the final day to confirm your contact details with the school to receive the \$400 school savings bonus. Please keep an eye on your emails for any from the Department of Education in regards to this program.

Student of the week

Early Years

Braydon Ducat

Middle Years

Caden Stevens

Seniors

Darryl Michaels

Specialist Award - Science

O'Shay Foster

School Wide Positive Behaviour Support

At our school, we often hear positive language that reflects our value of Belonging. Phrases like "Can I help you?" and "Let's work together" show how we support each other. When students invite their classmates to join in activities or include others in conversations, they demonstrate a strong sense of community. By using kind and inclusive language, we create a welcoming environment where everyone feels valued and part of the school. Let's continue to show *Belonging* in our actions and words!

CHILD SAFETY

Child safety and wellbeing at Swan Hill Specialist School: information for families and the school community
The Victorian Government has announced new Child Safe Standards to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.
Swan Hill Specialist School has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view on our school's website and at the school's front office upon request.

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.
