I still haven't wiped the smile from my face since Friday night. I was very proud of staff, of students and of families. We are blessed to be wrapped up in our supportive community which help exciting events such as our Debutant Ball happen!

On Tuesday November 25th we are taking delivery of our new Variety Bus. Variety will deliver it to us at 10am and we have also invited along some of our local supporters to share morning tea with us. It's a very small way to show our thanks.

Please join us on that day also to share morning tea and say thank you.

Today is World Teachers Day. Please take the time to say thanks to teachers or to send a message to your child's teacher to say thanks. Such a small effort really brightens a teacher's day.

Please remember that Monday is a student free day, followed by the Melbourne Cup public holiday on Tuesday. Enjoy the four day weekend and we will see everyone on Wednesday!

CHILD SAFETY

Child safety and wellbeing at Swan Hill Specialist School: information for families and the school community
 The Victorian Government has announced new Child Safe Standards to further strengthen child safety across
 organisations, including schools. The new standards recognise the critical importance of families and the broader
 school community in maintaining and promoting child safety and wellbeing.

Swan Hill Specialist School has reviewed and updated our child safety policies and procedures to ensure they
 meet the requirements of the new standards. These are available to view on our school's website and at the
 school's front office upon request.

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome
 feedback from families and members of our school community on ways we can further strengthen our child safety
 policies, procedures and practices.
